## "The Blood is The Life."

Science has never gone beyond the above simple statement of scripture. But it has illuminated that statement and given it a meaning ever broadening with the increasing breadth of knowledge. When the blood is "bad" or impure it is not alone the body which suffers through disease. The brain is also affected, the mind and judgment are clouded, and many an evil deed or impure thought can be directly traced to the impurity of the blood. **Foul, impure blood can be made pure by the use of Dr. Pierce's Golden Medical Discovery.** It cures and cures the blood, thereby curing, pimples, blotches, eruptions and other cutaneous affections, as eczema, tetter, or salt-rheum, hives and other manifestations of impure blood.

In the cure of scrofulous swellings, enlarged glands, open eating ulcers, or old sores, the "Golden Medical Discovery" has performed the most marvelous cures. In cases of old sores, or open eating ulcers, it is well to apply to the open sores Dr. Pierce's All-Healing Salve, which possesses wonderful healing potency when used as an application to the sores in conjunction with the use of "Golden Medical Discovery" as a blood cleansing constitutional treatment. If your druggist does not happen to have the "All-Healing Salve" in stock, you can easily procure it by enclosing fifty-four cents in postage stamps to Dr. R. V. Pierce, 603 Main St., Buffalo, N. Y., and it will come to you by return post. Most druggists keep it as well as the "Golden Medical Discovery."

You can't afford to accept any medicine of unknown composition as a substitute for "Golden Medical Discovery," which is a medicine of known composition, having a complete list of ingredients in plain English on its bottle-wrapper, the same being attested as correct under oath. Dr. Pierce's Pleasant Pellets regulate and invigorate stomach, liver and bowels.

## SPANGLER'S "FORECASTS."

Les J. Spangler, who has been prophesying for the past 20 years and who for the past 11 years has been issuing annual bulletins, has announced his prophecies for 1908.

Spangler has predicted many horrors, among them the Baltimore fire, the San Francisco earthquake, and last year he predicted the great money stringency which would hit the country and knock it out of gear. He also made a statement to the effect that the United States would go to war with Japan and all the nations would be involved; that the United States would be victorious and ride the high seas triumphantly. In consequence the United States will be the peace dictator of the world.

Among Spangler's forecasts for 1908 are the following:

The destruction of the world, which occurs during the latter part of December, 1908. The exact time he does not stipulate. There will be great trouble with the nations.

There will be many famines and earthquakes.

Mountains will crumble.

Islands will sink and many cities on the Atlantic slope will be destroyed.

He predicts the destruction of Boston and the burning of New York.

There will be a great falling off in crops and the once-boasted prosperity of the farmer will come to an end.

He alleges that the money stringency will be greater than ever.

That the Treasury of the United States will go broke and that President Roosevelt will have a pile taken away with the skill of a magician.

That the lack of confidence will cause the people to establish pocket banks and carry their money around with them. This will provoke robberies and great enmity among the people.

He predicts the visitation of the plagues mentioned in the Bible, and says that the sting of the locust will mean death.

Towards the last of the year he says the sun will turn black, the moon will be the color of blood, the heavens will be shaken and the stars will drop. Then will be the end.

DeWitt's Little Blue Pills are sold by W. F. Creighton & Co.

## BUILDINGS DYNAMITED.

Advices from Kestler, on the Georgia, Florida and Alabama railway, where a negro secret society hall was dynamited several weeks ago, state that two secret society halls in the county near Kestler were blown up Friday. One of the buildings was the Odd Fellows' hall at Cores, four miles south of Kestler, and the other the Supreme Circle's meeting place at Salem Church. A campaign of destruction, it appears, is being waged against negro secret societies, at least three of whose halls have been demolished in the last month. The negroes around Kestler are in a state of terror. They believe whites are dynamiting their halls on account of the difficulty in securing labor, the secret orders being blamed for the refusal of the blacks to work.

## A Significant Prayer.

"May the Lord help you make Bucklen's Arnica Salve known to all," writes J. G. Jenkins, of Chapel Hill, N. C. It quickly took the pain out of a felon for me and cured it in a wonderfully short time." Best on earth for sores, burns and wounds. 25c at all drug stores.

## A KING GEORGE BOY HONORED.

Mr. Fielding Lewis, formerly of King George, son of the late Fielding Lewis, of the old Colonial homestead, Marmion, where his mother still resides, has been appointed assistant attorney general of the new State of Oklahoma. Mr. Lewis is well known here, being a young man of marked ability. He has taken a prominent position in his new home, as is evidenced by his appointment, and the following notice from a South McAlester paper: This selection gives much pleasure to Mr. Lewis's hosts of friends here, as he is held in the highest esteem and is one of the best lawyers in the State. He has been mayor of this city and is recognized as an able lawyer, a fine business man and a good citizen. —[Fredericksburg Star.]

There is nothing better offered the public today for stomach troubles, dyspepsia, indigestion, etc., than Kodol. This is a scientific preparation of natural digestants combined with vegetable acids and it contains the same juices found in every healthy stomach. Kodol is guaranteed to give relief. It is pleasant to take; it will make you feel fine by digesting what you eat. Sold by W. F. Creighton & Co.

Many sufferers from nasal catarrh say they get splendid results by using an atomizer. For their benefit we prepare Ely's Liquid Cream Balm. Except that it is in all respects like the best, helpful, pain-relieving Cream Balm that the public has been familiar with for years. No cocaine nor other dangerous drug in it. The soothing spray is a remedy that relieves at once. All druggists, 75c, including spraying tube, or mailed by Ely Bros., 56 Warren Street, New York.
